

The Guilds of
ORANGE COUNTY PERFORMING ARTS CENTER
Beverly Sills Chapter

July 9, 1991

To Prospective Clients:

Sandra Wood, as "Cher", performed for the Beverly Sills Chapter of the Orange County Performing Arts Center on March 10, 1991 at our annual fundraiser for the Center. Sandra is an amazing likeness to Cher and provided a wonderful surprise for our guests at our elegant evening at the Center Club. Her mannerisms, costume and singing style really look like Cher.

Sandra was very professional to work with. She provided us with a straight-forward contract and kept in touch with me by telephone. She worked with us to make sure we had an adequate sound system for her tapes. (Our band helped us with that.) Sandra arrived on time and was very flexible and cooperative that evening. Our dinner took longer than planned, but she waited patiently and with good humor for her time to perform. Afterward, she mingled with the guests and had her picture taken with several of us.

Our group has recommended Sandra to the 35 other chapters of the Guilds of the Center. She is a great "Cher"!

Sincerely,

Carol M Thompson
